Probation

The Board reserves the right to issue a notice of probation to a club under the following circumstances:

- Clubs who do not attend compulsory meetings
- Clubs who do not comply with requests to supply information
- Clubs who do not complete their registration processes correctly
- Clubs whose members continually break code of behaviour rules

A club that continually fails to meet its obligations as per their affiliation's agreement may be placed on probation. Probation is a period during which the club must comply with the affiliation agreement and meet all obligations as requested. After the probation period has expired, the Board will meet to decide whether to lift the probation or whether to advise the club that their membership will not be accepted the following season (in accordance with 8.2 of the constitution). The Board will write to the club to advise that a probation notice is being considered and the reasons for this. The Board may request a meeting with club officials as well.

1.2 Club Contacts

WDNA will request each club to nominate two (2) contacts. One contact **MUST** be the President. These people will be the ONLY people that are authorised to make enquiries or changes regarding any matters to do with your club, so **one (1) person** must remain as a contact for the 12-month period.

The club contacts are the liaison between the club and WDNA and must be contactable, either by phone and email. It is the club contacts responsibility to pass on all information relating to the competition, courses, meetings, development and netball related matters to all club members.

Any correspondence must be received by 12 noon on the Friday prior to Board Meetings which are

usually held on the third Monday of each month. Any correspondence received after this time will be dealt with at the next meeting. All correspondence MUST come from the club contact.

1.3 Clubroom Hire

Club hire rates shall be reviewed and advised every year in the club AGM pack. This entitles the club up to 5 hours hire. Extra hours shall be negotiated with the WDNA Association Manager.

Non-member rates and bond shall be at the discretion of the Board.

Hire to all other users shall be at the discretion of the Board at a rate to be determined by the Board.

At the discretion of the Board, WDNA equipment may be hired at a rate to be determined by the Board.

1.4 Code of Behaviour

It is the club's responsibility to ensure that their members and spectators are aware of and abide by the WDNA code of behaviour www.wdna.net.au/competitions/

There is zero tolerance to any misconduct.

1.5 Fees

A non-refundable affiliation fee must be paid by each club on registration day. Clubs must pay the full amount of the WDNA fee on registration day. Please use the WDNA costing sheet.

The Netball WA fees are to be paid in full within seven (7) days of the invoice being issued and before the first playing date.

If any monies are not paid by the due date, the club shall be deemed unfinancial and no team from that club will be allowed to take the court until outstanding monies have been paid. All monies that have not been paid by the due date will incur an administration fee of \$20 plus interest compounding daily at a rate of 10% per annum.

Should a team withdraw after registration day, all monies paid to WDNA for that team shall be forfeited. (Penalty #22)

1.6 Fundraising and Sponsorship

Each club is permitted only one fundraising OR sponsorship event on the WDNA premises per season excluding Finals. Bookings are to be made by emailing enquiries@wdna.net.au after lock out day.

If your club participates in both Friday and Saturday competitions, you can hold a fundraising event on both days in the same fixtured round.

Any Club who wishes to display a sponsor's logo on their club gear bags/uniform/bibs or other clothing, banners, sun shelters or other visible items must apply to the Board in writing for permission to do so. This should be done as soon as the sponsorship is obtained and before any clothing/bibs are ordered. Failure to do so may result in the club being asked to replace the uniform/bib or other clothing before being permitted to participate in the competition.

Clubs may not display a sponsor's logo if these sponsors conflict with either WDNA's sponsors, Netball WA's sponsors or if they contravene Healthway's Sponsorship Policy – i.e. certain fast foods, alcohol or tobacco products. The Board reserves the right to reject sponsors whose product may cause offense. Clubs are advised to check with the WDNA office prior to signing contract.

Clubs who have existing sponsors displayed on their club gear bags/uniform/bibs or other clothing, banners, sun shelters or other visible items, prior to 2018 are required to register these with the WDNA Office by lock out date for the competition year. The Board reserves the right to reject sponsors whose product may cause offense.

1.7 Grading

It is the responsibility of each club to correctly and fully complete grading information. Each club is required to grade and number their teams according to strength (1 being the strongest) and indicate your preferred division. It is imperative that Clubs present as much accurate information on My Netball about each player as possible and give a general description of the skills/ability of the overall team and an indication of players lost or gained to the team since the previous winter season. Failure to do so may result in incorrect grading.

WDNA is not required to regrade any teams who have failed to supply the correct information. Division preferences are subject to grading by the grading Committee.

The Board reserves the right to make any necessary adjustments to grading to ensure the evenness of the competition.

11 and Under and NSG teams will be paper graded and then reviewed throughout the season.

1.8 Insurance

Fees paid to Netball WA include insurance cover for players, coaches, umpires and officials from non-Medicare expenses incurred as a result of an injury received during a game played at WDNA and affiliated Associations. Cover is also applicable during training sessions. For further details, please contact the Insurance Broker for Netball WA through the Netball WA website - <http://www.willisnetball.com>

The scorecard is an official document and must be completed correctly during the event of an injury or the insurance may be voided.

1.9 Permits

Permits to play down will not be granted to ANY PLAYER unless as part of the inclusion policy and a medical certificate may be requested. Refer to our Inclusion Policy (6.7).

Clubs must apply for a permit for any player wishing to play up two (2) age groups from where they are age eligible, or any NSG player who wishes to play up into a different competition tier (ie. NSG Set to NSG GO or NSG GO to 11 & under). Once a player has been granted a permit to play up, they may not play in a lower age group for the remainder of the season. This applies to both winter and spring competitions.

A player may be permanently moved to a higher graded team, providing they are age eligible, by the club contact advising WDNA via email. Once confirmation has been received, the player no longer

needs to be recorded on the back of the scorecard. Once a player has been moved up, they may not play in a lower team for the remainder of the season. This applies to both winter and spring competitions.

1.10 Proof of Age

WDNA reserves the right to request proof of age from any player throughout the season. Players have a period of time as specified by WDNA to provide the requested documentation to WDNA.
(Penalty #10)

1.11 Registrations

Winter & Spring Registration Process

Each team registering must list a minimum of seven (7) players (if less than 7, registrations will not be accepted) and the registration fee for those players will be lodged on a date as specified in the registration pack.

Clubs are to register their teams in MyNetball and then advise WDNA by email. The teams will be checked and if correct an invoice will be issued. Clubs will be required to do any corrections prior to invoicing.

Clubs that are not able to register their teams correctly will be required to use the services of the WDNA MyNetball Administrator – this service will be charged at a rate to be advised by the Board.

WDNA will not accept the registration of a club or player if they are unfinancial with WDNA or NWA from previous seasons until all monies owing are paid in full.

Clubs may register further new players by submitting the MyNetball administration form up to a date as advised by the Association Manager. New players must have paid all WDNA and Netball WA fees within seven (7) days of the invoice PRIOR to the next winter playing date to be considered an eligible player. Clubs who do not follow this procedure may be declared unfinancial and may not be allowed to take the court or accrue points until they become financial. Points will NOT be returned upon payment.

WDNA reserves the right to charge an administration fee of \$20.00 on all requests for refunds and player withdrawals and noncompliance. This applies to both winter and spring registrations.

The DOC reserves the right to limit teams.

Late team registrations may be placed on a wait list.

1.12 Withdrawals/Transfers

Any team who wishes to withdraw from WDNA after the WDNA lockout date shall forfeit all monies

paid and may be fined between \$250.00-\$500.00 at the Board's discretion. (Penalty #22)

A club has the right to appeal to the WDNA Board a player or coach transfer on financial grounds. A player or coach who is refused a transfer has the right to appeal to the WDNA Board to review that decision. Such appeal must be made in writing and will be heard at the next Board Meeting. The WDNA Board decision shall be final.

Any application for player refunds after lock out date and the first playing date must be made immediately in writing to the Association Manager. Refunds will only be considered with a medical certificate. Should the application be successful an administration fee of \$20 may be applied.

There can be no transferring of a player's fee from a withdrawn player to a new player once the club has been registered and invoiced.

1.13 Training Court Allocations

Courts required for training and grading purposes between December and February can be requested by emailing the WDNA Association office from December 1st. No requests will be considered before this date.

Any club wishing to train at the Kingsway courts must apply in writing via enquiries@wdna.net.au. Allocations will be at the discretion of the Association Manager. Clubs note that ratios are based on two (2) teams training based on one half court per team for a 90-minute period.

Clubs must state the number of teams training and the time and date required. Clubs must apply in writing from each year and confirm their teams at the WDNA registration period for their court allocations. No club shall be permitted to book out more than eighteen (18) half courts on any one night at any one timeslot.

Clubs that require more than their original allocation may either apply for another night or wait and see if extra courts are available once training has commenced.

Clubs are reminded that they are responsible for the conduct and safety of their members and any unattended children during training times.

Clubs found not using their courts without notifying the Association Manager may have their court use suspended.

It is the responsibility of the last team to leave on any training night to ensure that the lights are turned off, and the gates are closed and locked. Please work together to ensure this occurs.

WDNA strongly recommends that all players do not leave the complex unaccompanied. Clubs are encouraged to monitor this process.

Clubs are not guaranteed a preference for specific courts.

1.14 Unfinancial Clubs/Players

Any club or player owing money either to WDNA or Netball WA shall be deemed unfinancial. Money owing can be in the form of fees, fines or other penalties, etc.

Unfinancial clubs and their players are not entitled to the rights and privileges of membership until all monies owing (plus interest if applicable) are paid in full to the satisfaction of WDNA.

WDNA reserves the right to refuse all further membership applications from unfinancial clubs or

players in the future. Please refer to Item 8.2 of the Constitution.

FEMALE PLAYERS – either skirt and top, or dress, with sports brief or bike shorts no longer than the skirt or dress; and position bibs including one set of clash bibs.

MALE PLAYERS – shorts, top (club style and colours) and position bibs including clash bibs.

Clubs with boy's teams will be required to submit their proposed boy's uniform for approval by the Board as soon as possible. The boy's uniform is expected to be similar in design and colours to the normal club uniform.

11 & Under to NSG players - Clubs are permitted to offer uniform options within their registered uniform to all of their players within the 11 & Under to NSG age groups.

Playing uniforms may consist of either a dress; top and skirt, top and skorts of top and shorts. All uniforms must align to the club's registered uniform colours and clubs must seek approval from the Board if adding elements such as shorts after they have already had a uniform approved. Players may choose any of the allowed options in the one team, however all skirts, skorts and shorts must be identical.

Refer to NA Member Protection Policy for further information regarding uniforms.
https://netball.com.au/sites/default/files/2019-07/Member-Protection-Policy-and-Attachments_FINAL-APRIL-2017.pdf

Players representing their school may wear shorts if this is the school uniform, however all players in the team must then wear shorts or all girls must wear skirts.

In a mixed competition, girls/women are to wear skirts, and boys/men are to wear shorts of the same colour and tops that are aligned with the club uniform.

No two (2) clubs shall have the same uniform to the exclusion of bibs, the only exception being school based clubs as they are permitted to wear their school uniform/school sports uniform. No long sleeve shirts are permitted to be worn under the club's uniform unless covered by the Net Set Go (SET) clause #3.1, Net Set Go (GO) clause #3.2 or there is a valid Medical certificate or cultural reason for this. Written proof is required and should be sighted by the Association Manager.

Approvals for new uniforms will only be considered at monthly Board meetings. Once approval is received a photograph will be taken by WDNA and no deviation to the photographic example will be allowed.

New uniforms or changes to dye lots or Pantone colours **must** be submitted to the Association Manager three (3) weeks prior to registration and no club shall make any changes to this uniform without first obtaining the consent of the Board. Clubs are to have one uniform design and colour combination only. If choosing different uniform styles in different age divisions all uniforms must be registered by lock out.

Once a new uniform is approved clubs have a maximum transition period of two years. However,

any players playing finals must play in the same uniform. (Penalty #12)

Permission to play out of uniform must be obtained from the Association Manager, DOC or WDNA official for any player/team **prior** to taking the court. (Penalty #12)

Priority of registration shall determine the exclusive right to wear a particular uniform or colours.

All players in Finals matches must play in **that** team's registered uniform. (Penalty #12)

The DOC may grant a permit for playing out of uniform at the beginning of the winter season if a club provides proof of delays by a supplier or for religious reasons.

The Board reserves the right to request a team or player to alter any part of their uniform if deemed inappropriate. Failure to comply may result in the team or player being unable to take the court. (Penalty #18)

If a club does not register for two (2) years their name and colours become available to new or existing clubs wishing to change their name or colours.

All coaches for any age group who wish to coach at WDNA **MUST** produce evidence of **either** a current Netball Australia coach accreditation or evidence of attendance at the WDNA Beginners Coaching Course prior to the commencement of the winter season. Coaches who are unable to provide this must complete the WDNA Beginner Coaching Course appropriate to the age level they are coaching. This course is provided at a cost of \$20.00. Further information will be provided by the ADO prior to the season commencing. Failure to comply with this requirement means the coach may not coach at WDNA until these requirements are met.

5.0 Umpiring

5.1 Injury Procedure

In the majority of injury scenarios, the standard time out injury rules apply as per the Injury Time section below. In more serious cases, such as situations where the injured player:

- Cannot weight bear;
- Clearly has a broken bone;
- Is unable to move the injured body part (particularly if a lower limb is injured);
- Is unconscious; and
- If a head or spinal injury is suspected.

Teams **must** send a person immediately to notify the first aid personnel who will then attend the court and make an assessment. If a major injury has occurred, it is the discretion of the first aid personnel as to whether the injured player is moved or not. In this scenario, WDNA officials will provide or advise teams of an alternative.

Players and officials should not move the injured player off the court unless directed by first aid personnel.

Injury Time

In the event of an injury, each team has up to 30 seconds to leave the court (**Rule 9.3.1, Official Rules of Netball**).

Either team may change the positions of all the players immediately when a player retires through injury or illness – they do not need to wait until the end of the quarter. The injured player may return to the game at a later stage during a stoppage.

No player may leave the court during injury time, with the exception of the injured player to receive treatment. No person may enter the court during injury time, with the exception of the primary care person. This person may not coach any players during this time (**Rule 9.3.1 (iii) and (v) Official Rules of Netball**).

5.2 Umpiring Procedure

Teams are required to accept the WDNA Umpire Academy, Squad and Green Shirt umpires as and when advised by the AUDO.

All umpires who wish to umpire at WDNA **MUST** hold a current affiliation with WDNA, as depicted through their MyNetball number, and completed and passed (70%) the Rules of Netball Theory

Examination. Official affiliation and the examination is available at a cost of \$10.48.

Failure to comply will result in an inability to umpire at WDNA.

The suitability of an umpire for the level of play may be decided by the AUDO or their representative. Should an umpire be deemed unsuitable, the AUDO or their representative will provide the umpire and club written recommendations for further development. (Penalty #15)

Umpires are to instruct the scorer and timekeeper of their duties. It is the responsibility of the umpires to ensure that nails are cut short, and that the WDNA jewellery policy is adhered to prior to taking the court.

The umpires have control of the game, and their decision is final. The captain of the team (or coach and captain of NSG or 11 & under) have the right to clarify rules, and this can only be done at intervals.

The umpires must strictly adhere to the rules set down by Netball Australia and WDNA.

Umpires are not permitted to coach a team whilst umpiring or during intervals.

No interchange of umpires is permitted during a game except in the case of injury or illness, or if an umpire is deemed unsuitable and a replacement is provided. (Penalty #15)

In the event of a team failing to supply an umpire and the umpire's office being unable to supply a replacement umpire, then that team must either find a suitable umpire within five (5) minutes or a player from that team will be required to umpire. (Penalty #15)

If an umpire suspends a player off the court for a specified time, the player sent from the court must stand beside the scorer and timekeeper. No positions may be changed by the team, unless the penalised player is the Centre player which results in an on-court player moving into Centre and moving back again when the suspended player comes back to the court.

If a player is suspended or sent off by an umpire, the suspension is applicable to all games at that timeslot.

Interference or abuse of umpires by players, spectators or team officials will **NOT** be tolerated. (Penalty #5)

Uniform

All umpires must wear a white shirt with white, black or navy shorts, skirt or pants with suitable footwear. Jackets or raincoats must be white or clear. No jeans, thongs or heeled shoes are permitted. An umpire may not officiate in their playing uniform. Inappropriate umpire attire will result in a penalty and will be allocated to the umpire. (Penalty #18)

5.3 Development and Badging

WDNA will invite umpires into the Umpire Academy in accordance with the NWA Umpire development policy in conjunction with the recommendations from the AUDO.

WDNA umpires may put themselves forward for screening and testing, they will be required to pay an upfront fee to WDNA to cover the cost of the badge, the screening plus administration paperwork.

Umpires must be fully affiliated with WDNA.

Umpires from any other associations that require coaching/screening for badging will be charged a fee of \$150. These fees are set by the WDNA Board. Umpires who are not affiliated with WDNA

also pay a WDNA affiliation fee of \$30.00 prior to being coached and must already be affiliated to Netball WA in order to be tested. Priority of coaching/screening shall be given to WDNA Development umpires.

6.0 Policies

6.1 Alcohol and Illegal Substances

No Alcohol is permitted within the WDNA Netball Complex, with the exception of the clubrooms when an Occasional Liquor License has been obtained.

No person may participate in any activity or act in any official capacity with any team or club affiliated with WDNA or in any competition conducted at the WDNA courts whilst under the influence of alcohol or any mind-altering substance, whether it be a legal or illegal substance.

On suspicion or allegation, the Club contact will be asked to attend a meeting with the President to discuss.

Refer to: netball.com.au/national-policies

Smoking is NOT permitted within the grounds of the WDNA Netball Complex.

6.2 Apprehended Violence Orders (AVOs) or any Other as determined by a Court

Clubs need to be aware if such an order exists, it is the responsibility of the concerned parties to remove themselves from any situations that may arise. WDNA holds no responsibility for any breaches. Those involved are required to contact the appropriate authorities when applicable.

6.3 Blood Policy

Injury/Illness or Blood (rule 9.3.1 Official Rules of Netball)

The umpires hold time for blood when noticed or for injury/illness when requested by ANY player (in extreme circumstances the umpires may hold time without a request being made) and the player concerned must leave the court within 30 seconds and receive treatment off court.

Only primary care person/s are permitted on the court to assess the player's ability to be removed from the court and to assist the player from the court.

In the event that the primary care person/s advise the umpires that the player concerned cannot be removed safely within 30 seconds, the umpires will extend the time for the player to leave the court. The umpires may authorise other persons (including team officials) to assist the player to leave the court if needed.

Any blood on the ball or the court must be cleaned before play restarts and any bloodstained clothing replaced.

During the stoppage both teams may make substitutions and/or team changes, provided these are completed within the time allowed for the stoppage by the umpires.

If no substitution is made for the injured/ill player, or for a player who is bleeding, play may resume with the position left vacant. If the player is the Centre and no substitution is made, one player must move to play as Centre to allow the match to continue.

If the position is left vacant, the player concerned, or a substitute may subsequently, after advising the umpire, take the court immediately after one of the following occurs:

- A goal has been scored (in this case the player or the substitute must play in the position left vacant).
Sanction: Free pass where ball was when play stopped – the player is sent from the court until the correct time for entry.
- A stoppage for injury/illness or blood, or
- An interval.

6.4 Concussion Policy

This policy is designed to use the world's best practice to ensure optimum player safety regarding the management and prevention of head injuries. It is specifically tailored to volunteer based teams in WDNA without specialised medical staff.

Its intention is to provide a streamlined process to help clubs provide a safe playing environment and take the pressure off non-medical personnel to make decisions regarding safety to play.

Its priority is NOT to act as an enforcement or punishment tool.

Any player suspected of having suffered a head injury/concussion or is knocked unconscious shall:

- Be assessed by a Primary Caregiver using the 1st Responder assessment tool, preferably within 10 minutes of the incident.
- Use of the 1st Responder requires NO medical training. 1ST Responder is available as an app via App Store apple.co/2bw3yEz or Google Play Store bit.ly/2bLeQoH

Any player who FAILS the 1st Responder assessment MUST report immediately to the WDNA First Aid Office and;

- 1.) NOT be returned to the field of play.
- 2.) Have their names notified to the WDNA office, who will record the player's name in the daybook. A player whose name is submitted to the WDNA office as having FAILED the 1st Responder will NOT be permitted to play at WDNA until the WDNA receives a Medical Certificate clearing her/him to play.

A player who suffers a concussion should on the day of the game:

- 1.) NOT consume alcohol and keep well hydrated.
- 2.) NOT drive a motor vehicle.
- 3.) NOT be left alone and be woken every 2-3 hours during the night to ensure they are well.
- 4.) Seek IMMEDIATE medical attention if they:
 - A.) Are unconscious for more than 5 minutes
 - B.) Develop visual disturbance
 - C.) Are confused
 - D.) Develop nausea/vomiting
 - E.) Have a headache and are not responding to paracetamol or ibuprofen

Offenders found to have participated in these types of offences for a second or subsequent time and where a suspension has been previously imposed will face deregistration.

In the case of a non-playing club member or spectator being proved to have engaged in harassment or bullying, the club employing, engaging or otherwise associated with the offender at the time of the conduct shall be deemed to be vicariously liable for the conduct of the offender and shall pay to WDNA a penalty to be determined by the Board.
