

**1974 – 2024**

## **WDNA 50<sup>TH</sup> Anniversary Year**

WDNA will celebrate our 50<sup>th</sup> year of competition in 2024. Originating from humble beginnings, we have evolved into the second-largest association in Western Australia, distinguished as the only netball complex boasting 57 playing courts throughout the entirety of Australia. A remarkable journey has seen over 250,000 netball enthusiasts—players, coaches, umpires, officials, and volunteers—become integral members of the WDNA family.

To commemorate this significant milestone, WDNA invites you to save the date for our Gala Anniversary Dinner, set to take place at the beautiful Hillarys Yacht Club on **Saturday, November 9, 2024**. Every club will have the opportunity to secure tickets for this special evening, with pricing details to be confirmed at the 2024 AGM. Additionally, clubs will be given options in ways that they can choose to honour their own club legends during the event.

As we delve into the archives for photos and other memorabilia, we encourage clubs to contribute by sharing photos both dating back to the early years to the present day. Please send these through to Lorraine Ward at [manager@wdna.net.au](mailto:manager@wdna.net.au)—originals are not necessary.

Stay tuned for further details at the 2024 AGM. Please help us spread the word among your current and past members. We eagerly anticipate hearing from those who hold unique snippets of WDNA history, whether in the form of photos, news clippings, or other memorabilia. Your contributions will undoubtedly enrich the tapestry of our celebrations and help make our 50th anniversary a memorable one.
